**\$5,000 BUYS PRIVATE
RAIL CAR ONCE USED
BY CHARLES SCHWAB**

Pottsville, Pa., Aug. 6 (P).—The late Charles M. Schwab's palatial private railroad car, which cost \$70,000 15 years ago, has been sold to a Pottsville lawyer for \$5,000. The attorney, Abe Cramer, said today he acted "for a client" whom he refused to identify.

The rolling home of the former chairman of the board of the Bethlehem Steel company has a large lounge room, two private bedrooms, berths for eight, a dining room, kitchen, pantry and its own refrigeration plant. It is in the yards of the Bethlehem plant at Wilmington, Del.
